Net Distribution Prayer Guide
November 6 – 17, 2008

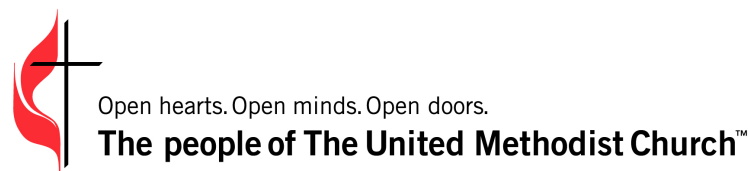

This **guide to prayer** is designed so that churches, organizations, and individuals may participate in the Net Distribution Team's ministry in **Côte d'Ivoire** this November. Please use this guide over the 12-day period that our Conference's team will be preparing, traveling, worshipping, and distributing.

The team will deliver **over a million insecticide-treated bed nets** (80% of which were donated through Texan Methodists) in five rural areas. **Nets are the most cost-effective way of preventing the spread of malaria.** 50% of hospital and outpatient admissions in Africa are malaria-related, over 1 million of those infected die from the disease, and 75% of those deaths are children under the age of five.

Each day, you will read about what **the team is doing** that day, a **prayer focus**, and a **Psalm** to read. On the back, all of the **team members** are listed—please pray for them by name each day.
