Early Responder Teams are trained and equipped to enter a disaster site soon after one strikes. They are self-sustaining in that they have their own transportation, fuel, food, equipment, and lodging already covered. ER Teams provide a Christian presence in bringing immediate assistance to hurting people.

The Texas Annual Conference, in partnership with UMCOR, is now conducting Early Responder Training using approved UMCOR curriculum. Early responders representing our conference must have this training to be certified. Our goal is to see each of our 9 districts with 25-plus persons trained for this vital mission effort.

$ 20.00 PER PERSON
Includes the manual, lunch, T-Shirt, Safe Sanctuary, & Photo ID-Badge
